

Belview Bulletin:

April 2017

SUMMER WORKER NEEDED:

The City of Belview is seeking applications for a summer worker. 20-plus hours, wages based on experience, must be at least 18 years of age and have a current MN drivers license. Duties will include but are not limited to mowing, trimming and painting.

Contact the Belview City Clerk's Office at 507-938-4335 or stop by the City Clerk's Office for an application.

Applications will be accepted until May 8, 2016 at 4:30 p.m..

The City of Belview is an Equal Opportunity Employer.

City Wide Rummage Sales-

Belview will be having city wide rummage sales on Saturday, May 6, 2017. Sales are scheduled to begin at 8:00 Saturday morning with ending times for rummage sales varying.

It is not too late to let Lori know if you are going to have a sale so you can be included on the list if you have not already done so.

A list of sales will be available at the City Clerk's Office and will be posted on the Community Sign by the Odeon, at the post office and at Cenex closer to that weekend. Maps will also be at each rummage sale site showing where all of the sales are located that day.

DOG COMPLAINTS:

Complaints have been received in the City Clerk's Office in the last month from some very frustrated people regarding dogs. The complaints range from dogs that are allowed to run at large, excessive barking and the biggest complaint being dogs that are allowed to wander off of their property or being walked by their owners then allowed to poop on other people's property, sidewalks or in the street without the owners cleaning it up. Violators to the city's animal control ordinance could be charged with a petty misdemeanor.

SPRING CLEAN-UP

Clean-up day will be Saturday, May 20, from 8:00 a.m. to 3 p.m.. Dumpsters will be located north of the city shop.

In an effort to be able to continue to offer this service the City Council stresses that the Spring Clean-up is for city residents only and is not to be used to for everyday household garbage, garden debris or branches, household hazardous waste, appliances, tires, batteries, construction debris or fluorescent light bulbs. There will be an area set aside for scrap metal.

If you have any questions on how to dispose of items not allowed in the dumpster please contact Lori at 938-4335. There is a \$10 fee on your utility bill this month to help defray the cost of the clean up. This fee is charged to each utility customer. We encourage all residents to take advantage of this once a year opportunity.

FYI: Spring clean-up is a service that is offered by the city to help all city residents clean-up their properties. It is not intended for large amounts of demolition material and/or shingles.

THE SITE WILL BE MONITORED

***Do Not Mow Grass Clippings
Out Into The Street.***

Reminder: Open burning is not allowed in city limits. Small recreational fires such as in a fire ring are still allowed.
