

# **Belview Bulletin:**

December 2017

## **REQUEST FROM CITY REGARDING SNOW REMOVAL:**

The Belview City Council is asking for your cooperation to help city staff in their snow removal efforts this season.

In order for city employees to be able to plow streets from curb to curb you are being asked to not park motor vehicles/trailers on the street in the City of Belview after a significant snow fall (2 or more inches).

Vehicles and trailers must be moved off of the street **immediately** after snow ceases when there is an accumulation of 2 or more inches.

If vehicles/trailers continue to be left on the street after a significant snow fall (2 or more inches) the City Council may be forced to amend the snow removal ordinance to establish stricter regulations which could include impounding of vehicles and the owner being charged with a possible petty misdemeanor.

Your cooperation is greatly appreciated.

### **Final Meeting For 2017:**
