NEWS FROM PARKVIEW SENIOR LIVING:

Through the generosity of the Belview Booster Club, Minnwest Bank - Belview Branch and the community of Belview, Parkview Home now has a new bladder scanner! This piece of equipment will enable nursing staff to provide better care to all of our residents. With the amount of money donated, and the help of our medical equipment representative, we were also able to purchase 4 new pressure-reducing mattresses, 2 new alternating pressure air mattresses, 4 new wheelchairs for Parkview Home and 2 new wheelchairs for Parkwood Apartments. All of us at Parkview Senior Living Campus extend a heartfelt "THANK YOU" to everyone who donated to our Foundation, and for the ongoing support we receive every day from the community of Belview and the surrounding area. It does indeed "take a village...."

2018 DOG LICENSE DUE BY JUNE 1ST:

If you own a dog and are a resident of the City of Belview, you are required to obtain a dog license annually. Bring in a copy of your dog's current vaccination record along with \$10 per license. If dog license are not purchased by June 1st you may be subject to a penalty. A copy of the City's animal ordinance is available from the City Clerk's Office. If you are a dog owner please keep in mind that dogs are not allowed to run at large at any time. We are getting quite a number of complaints because dogs are allowed to run loose. If this continues to be a problem, the sheriff's office will be notified and citations will be written.

This poem was written by 17 year old Samantha Anderson, daughter of Mike and Jean Anderson. It offers a refreshing perspective of our community through the eyes of this talented young lady.

Belview-Where I'm From

Just five miles south of the Minnesota River,
A town too small but I beg to differ.
The hot air balloon capital we are proud to say,
And the home of September's Old SOD Day.
Sunday morning drives in a little blue chevy,
Jeff takes the dogs to get Little Debbies.
Calm summer days, look to the sky,
To see Frank in the power parachute or Bob flying by.
Taco Sunday's at Grandma's or sledding down the hill,
Were some of our favorites that came with no bill.
Ranger rides to the winery were fun too,
Especially with the entire Anderson crew.
Snowmobile trails all nicely groomed,
Without the Sno-Fliers we'd be doomed.
Summer days are spent picking stones,
To get ready for the combine to go-down the rows.
From green in the spring, to black in the fall,
Praying Mother Nature will provide for us all.
Family suppers in the field are a typical sight,
As the farmers work late into the night.
Deer hunting, New Years and Super Bowl too,
Just a reason to get together with everyone you knew.
Where friends become family and memories are made,
There's something about that small town love where I was raised.
