

BELVIEW BULLETIN:

March 2018

DOG COMPLAINTS CONTINUE:

Complaints about dogs being allowed to be off of their leash when being taken for walks and dogs just allowed to run at large continues to be a problem. Dog owners and non-dog owners alike are very unhappy when other dogs are allowed to come on to their property. Complaints continue to be received by parents with children who find it necessary to have to clean dog poop up before the children are able to play in their own yard. It has also been witnessed numerous times when people are out for a walk with their dogs make no attempt to clean up after them. Some residents who have had enough of cleaning up after other peoples dogs have even brought in photos of dogs being allowed to run at large. Pictures are worth a thousand words! Please be respectful and abide by the city's animal control ordinance. Copies of the ordinance are available at City Hall.
