

BELVIEW BULLETIN

June 2012

CONSUMER CONFIDENCE REPORT AVAILABLE:

As required by Minnesota State Law, the City of Belview will be making available to anyone who requests it, a copy of the City of Belview's 2011 Drinking Water Report. If you would like a copy of the report just let Lori or David know and one will be sent to you or you may stop at the City Clerk's Office anytime and pick one up.

City Council Awards Residential Refuse Contract To West Central Sanitation:

Beginning the first week in July, Belview residents will have their garbage picked up by West Central Sanitation. To make an easy transition to the new company there are a few important dates to remember.

On Wednesday, June 27th West Central Sanitation will be delivering replacement garbage carts to those customers that currently are using carts. If you are not currently using a garbage cart that was provided by the hauler but would like to start give Lori a call to be put on a list. As in the past, the carts are provided free of charge and you will be billed a monthly fee for pickup. It is a flat fee per month based on the size of the cart. The flat fee is for the month regardless how many times during the month it is emptied. There are 3 sizes and the rates are as follows: Small-\$10, Medium-\$13 and Large-\$16.

June 28th will be the last day to use the carts that are either from Prescott Sanitation or Waste Management. Even if you do not have any garbage that day please set your garbage cart out that day so that Waste Management can pick them up.

West Central Sanitation will also offer bags. The bags may be purchased at the City Clerk's Office and at Cenex. They have 20 gallon and 30 gallon size bags.

If you decide to use the bags there will be a \$3.75 drive by fee on your utility bill as before.

West Central Sanitation has agreed to pick up garbage in Prescott Sanitation or Waste Management bags through the end of August. From September on they will only pick up garbage that is in their West Central Sanitation bags.

If you are in need of a dumpster for remodeling or construction projects they are available in sizes that range from 10 to 50 yards. They are also available for commercial accounts.

IMPORTANT: West Central Sanitation will pick up garbage in Belview on Thursday, July 5th but thereafter will be picking up garbage every Wednesday.

West Central Sanitation is family owned and operated and have been in business for over 20 years. Their toll-free phone number is 800-246-7630.
