REQUEST FROM CITY REGARDING SNOW REMOVAL:

Again this year, the City of Belview would like to ask for your help when it comes to snow removal. To alleviate some of the problems that have happened in the past, the city would like to suggest that if you contract with an individual to do snow removal in your driveway or do it yourself that if possible it not be done until the City crew has had a chance to clean the street. That will help to eliminate snow being piled at the end of your cleared driveway when the street is cleaned.

Also, please move vehicles off of the street after a snowfall so that they do not have to be plowed around.
