REQUEST FOR PARENTS DROPPING OFF STUDENTS AT THE POST OFFICE IN THE MORNING:

Now that it is still dark in the morning when the students are being picked up at the Belview Post Office bus stop, a request is being made that you turn your headlights off when your vehicle is idling at the bus stop while parked on the west side of Main Street near the intersection. When it is still fairly dark, vehicles pulling up to the stop sign on Hibbard Avenue have reported that they are having a hard time seeing oncoming traffic from the north due to the shining headlights of vehicles parked there. Your cooperation is greatly appreciated by these folks. Thank you.

HOUSE NUMBERS:

If you have not already done so you are encouraged to put your house number on your house so that it can be easily identified by emergency responders in the event of a 911 call to your location.
