WANTED:

Plans are underway to begin organizing for the City's 125th Anniversary in 2012. A planning meeting is scheduled for Thursday, April 8th at the Community Center. If you are interested in helping to make this a celebration to remember you are cordially invited to attend this planning meeting. Business owners, churches, and local organizations are asked to have representation at the meeting if possible.

We want anyone from the community that is interested in helping in the planning process to feel welcomed and encouraged to join the group whether or not you have been a long time resident or recently moved to town. Maybe you have some good ideas, maybe you have a knack at organizing, or you prefer helping with fund raising efforts or maybe you are a more hands on kind of person just doing what needs to be done. There is a place for everyone that is interested in helping out.

While the goal is to have this a community run event the City Council has taken the initiative to get the ball rolling. The City will host the initial planning meeting with a committee of interested persons to be formed thereafter. They also approved a \$500 transfer from the Can's For Kids Fund to help with expenses. More fund raising events will need to be planned to make this a grand celebration.

Bring along any ideas that you know that have been successful in other communities.
