Cemetery Mowing	\$30.00 per hr. plus supplies
School Mowing	Bus garage space and use of school facilities at no charge

Security cameras were recently installed in the Fire Hall building. A motion was made by Dianne Donner and seconded by Janet Anderson to also install cameras in the City Shop. Motion carried.

Correspondence from Don Williamson of West Central Sanitation was reviewed. Redwood County will be charging them more for a tipping fee for garbage now and they were not notified until the middle of December and the change was to be effective January 1, 2016. They have no other choice but to pass that increase on to us.

David Diekmann had gotten a quote on a different mower which included a trade in on our old mower. It was decided to contact the nursing home to see if they would be interested in our current mower verses trading it in.

Insurance coverage on the generator in the generator building was discussed. Myrle Peterson and David Diekmann will determine the replacement value of the generator. Anything under \$25,000 is automatically covered. Anything over that amount has to be listed individually on the policy.

Discussion on remote read water meters for the city has held again. We have been talking with MN Rural Water and neighboring towns that have already went with this system. No action was taken at this time to allow for further research.

Linda Sullivan gave the Parkview/Parkwood report. Janet Anderson made a motion which was seconded by Myrle Peterson to ratify Kari Conway to fill the vacancy on the Parkview Board.

The fire department was asked to get at least one member from the city council and one from each township to go with them go visit other fire halls. It was also discussed maybe taking our current fire trucks and bringing them down to Sander and Sons shop to get an idea for size.

Janet Anderson made a motion which was seconded by Myrle Peterson to adjourn.
Carried.

City Clerk/Treas.

Mayor
