Discussion regarding the Odeon Hall project. After the City Council receives the assessment from Duane Day, architect, they will decide what the next step will be. The Council had asked for Pat Johnson to give them an estimate for painting the interior of the Odeon Hall. The painting could possibly be done in February if Pat still has time to do it.

Janet Anderson made a motion which was seconded by Myrle Peterson to approve the liquor license for Inn Like Flinn and Belview American Legion for 2011.

Discussion was held on correspondence received for Xcel's Outdoor Lighting Dept. in regards to their need to require metering of Christmas decorations that are hung on the street poles. Myrle Peterson offered to check on it but he was sure it was already metered.

The Checking and Investment report was reviewed.

Discussion was held on sending David to St. Cloud to MN Rural Water for his training needs. If it is possible to get the training locally the council would like him to do that. Otherwise they would approve his attendance at the conference. Lori Ryer stated that even though the training at the MN Clerk's and Finance Officers Conference is valuable she suggested not attending this year to save approximately \$350. The Council asked her to wait to see what the classes were being offered before making a decision as there may be classes that would benefit the city.

Janet Anderson made a motion which was seconded by Dianne Donner to approve the attendance of 5 first responders to attend the 2 day training sponsored by North Memorial Education. They will reserve 2 rooms at the conference hotel.

The meeting was adjourned by a motion from Dianne Donner and a second by Myrle Peterson.
